

**Norman Mallard**  
*Dancing Through Life*

**Norman Mallard**  
*Russian Summer*

Using found objects and pictures, my work inevitably hearkens to a seemingly simpler time, though through the lens of today. Disparate elements come together to form a new reality and shine a light on both the seen and the unseen in American society. My background in graphic design shapes my bright, yet wry view of the world, both celebrating and mocking consumerism and social constructs.
